

Dea met Madine:  
I know I wish I was there to help u.  
But that is impossible.  
I'd Officer Tippett that Oswald killed  
he same man told me that u knew and etc  
u know anyone that could put Capt  
Fritz in the company with Jack Ruby?  
Ruby is know to be a Queer for women but  
he is jail now.  
A Dallas lawyer called me to say here and  
we had some drink in town. he is here to  
c his daughter and told me amny things that  
happen since I was there.  
I have sent both my kids their Christmas  
presents will send u yours in a few days  
but u will not rec them till a ter Christmas  
but u will remember that we had Christmas  
happy together, my Love will be with u  
and my prayers. u r a good girl and  
regardless of what you or what happens  
I will always love you.  
If u can find any one that could put Fritz  
and Ruby together lets keep it a secret  
between us.

Very truly,  
Your friend,
